# SEARS HOLDINGS

---

“As our Chairman and CEO Eddie Lampert communicated in a [blog post](#) today, on Friday, July 7, the company informed associates at eight Sears and 35 Kmart stores that their stores would be closing by early October. (All of these stores will close in early October except for one Sears store that will close in early August.) Eligible associates impacted by these store closures will receive severance and will have the opportunity to apply for open positions at area Kmart or Sears stores.

“Customers can use the store locator function on our web sites to find the location of their nearest [Kmart](#) and [Sears](#) stores. Liquidation sales will begin as early as July 13 at all closing stores. Following is a complete list of the impacted stores.”
