
SEARS HOLDINGS

As mentioned in Sears Holdings' Q2 2017 financial results announcement on Thursday, August 24, the company informed associates at 28 Kmart stores that we will be closing these stores later this year as we continue to transform our business model so that our physical store footprint and our digital capabilities match the needs and preferences of our members. (All of these stores will close in mid-November except for the Kmart in North Miami Beach, Florida, that will close in mid-December.) Eligible associates impacted by these store closures will receive severance and will have the opportunity to apply for open positions at area Kmart or Sears stores.

Customers can use the store locator function on our web sites to find the location of their nearest Kmart (<http://www.kmart.com/stores.html>) stores. Liquidation sales will begin as early as August 31 at these closing stores. Following is a complete list of the impacted stores.
