# SEARS HOLDINGS

---

As part of Sears Holdings' processes to accelerate its strategic transformation and facilitate its financial restructuring, on December 27, 2018, the company informed associates at 80 stores that we will be closing these Sears and Kmart stores in late March 2019. Liquidation sales at these stores are expected to begin in two weeks. The accompanying Sears Auto Center at these Sears stores will also be closing. This is in addition to the previously announced closure of 40 unprofitable stores expected to be completed in February 2019.

Customers can use the store locator function on our web sites to find the location of their nearest [Kmart](#) and [Sears](#) stores.
